The instructor is Rev. Suzanne Daniele-George and the tuition is \$15.00 per class session with \$45.00 payable at registration and \$45.00 due every 3rd week unless otherwise specified.

This course brings you a refreshing approach to the ancient principles of how to apply your mind powers to practical purposes. The many alternative states of mind while the veil of the mundane mind an exciting world where logic is the and instinctive imagination reigns the richly-endowed realms of the knowledge and increase your skills 24 lesson course takes you on a journey of exploration.

There are adventures into the esoteric bordering against the complexities of modern brain research. The mind are explored and expanded, is lifted as you are invited to enter unopposed expert one moment supreme the next. This guide to mind is designed to add to your in the many arts of the mind. This

- You will learn to contrast different states of mind.
- You will investigate examples of powerful minds and learn techniques you can use to develop aspects of mind that interest you particularly.
- You will learn how to increase your powers of prophecy and skills you can acquire to develop your own sensitivity to the unfolding future.
- You will investigate examples of people who have applied their mind powers, often in difficult circumstances.
- You will learn ways of unlocking the parts of your mind that have become blocked. Some unusual ideas are explored and several simple practical exercises are suggested.

This course will leave your mind inspired to try new outlooks and indulge in unfamiliar pleasures. Throughout the course, you are reminded that much in the world of brain and mind is open to possible misinterpretation or misunderstanding. We will leave you to make up your own mind on issues. We will always make it clear when there are opposing views and present them. The mind is not just an intellect; it is a world as big as life itself. As you study we hope you will enjoy expanding the powers of your mind over matter.
